

TWELFTH NIGHT

1. Who is the truest friend in *Twelfth Night*? Why do you think so?
2. How do you feel about playing practical jokes on other people? What is the best joke you've ever played?
3. How did you feel when someone played a practical joke on you? What was the joke?
4. How do you treat people who are conceited? Why do you think they behave that way?
5. Do you think all the characters in the play that say they are in love are really in love? Is there a character that you would pick as being sincerely in love? Whom did you pick and why?
6. Which of the couples at the end of the play has the best chance of a successful future? Why?
7. Has someone ever used you to get something he or she wanted? How did you feel? What did you do or what did you wish you had done?
8. Do you believe in fate? Why or why not?
9. Is there any point in loving someone who doesn't love you back? Give reasons for your answer.
10. What are your favourite love songs? Why are they your favourites?
